Tomorrow -- the NSC changed the format of the POTUS meeting with the Crown Prince tomorrow -- the first thirty minutes with the full manifest, the second 30 minutes with POTUS just one on one. Unfortunately, [REDACTED] is immediately following at 2:50pm and they can't adjust the time so you will have 30 minutes or so of extra time at the WH.

It may have something to do with Jabril's commitments in Qatar as I understand it. At some point, may need to see exactly what the nature of his commitment is and see if the Qataris can change the schedule. Esawi alone is still a possibility --we are trying hard
